This decision is in response on the "REQUEST FOR CORRECTED FILING RECEIPT," filed May 24, 2004. This request is being treated under 37 CFR 1.10(c) to accord the above-identified application a filing date of February 10, 2004.

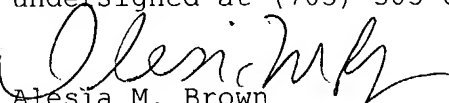

Petitioner alleges that the application was deposited in Express Mail service February 10, 2004. As supporting evidence, petitioner has provided a copy of an Express Mail label bearing tracking number EL976593878US (the same Express Mail number found on the application transmittal letter accompanying the original application papers located in the official file) and a "date-in" of February 9, 2004¹. In view of the above, the petition under 37 CFR 1.10(c) to accord the above-identified application a filing date of February 10, 2004 is hereby **GRANTED**.

No fee is due in connection with this petition.

This application is being forwarded to the Office of Initial Patent Examination for further processing with a filing date of February 10, 2004.
